

**PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

**Telecommunications Division  
Carrier Branch**

**RESOLUTION T-16654  
May 16, 2002**

**RESOLUTION**

**RESOLUTION T-16654. REVOCATION OF CERTIFICATES OF PUBLIC  
CONVENIENCE AND NECESSITY OF 17 COMPETITIVE CARRIERS  
FOR FAILURE TO COMPLY WITH COMMISSION DECISIONS.**

---

**SUMMARY**

This resolution revokes the competitive carrier Certificates of Public Conveniences and Necessity (CPCNs) held by the 17 companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

**BACKGROUND**

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges. The ordering paragraph is being used to demonstrate inactivity on the part of these carriers, not delinquency.

Several steps were taken to locate the 17 companies and determine their status:

1. Telecom Division's (TD) record of surcharge payments was searched.
2. Warning letters of pending revocation were sent to companies' last known addresses.
3. Notice of company names to be revoked was placed in the Commission Calendar. Interested parties were invited to call Telecom Division staff with questions or comments on these carriers' revocations.

## **DISCUSSION**

The companies whose certificates of public conveniences and necessity are revoked by this resolution are the following:

	<b><u>Type</u></b>	<b><u>CPCN#</u></b>	<b><u>Company Name</u></b>
1.	IEC	5872	Millennium Group Telemanagement
2.	IEC	5883	NTI Telecom, Inc.
3.	IEC	5884	Infolink Communications, Ltd.
4.	IEC	5890	CBG, Inc.
5.	IEC	5891	Local Long Distance
6.	IEC	5900	Tritel Communications, LLC
7.	IEC	5903	New Media Telecommunications, Inc.
8.	IEC	5904	National Tel
9.	IEC	5919	Financial Intranet, Inc.
10.	IEC	5925	Tritel Communications, LLC
11.	IEC	5927	Nations Telecom Network
12.	IEC	5937	Payless Communications, Inc.
13.	IEC	5949	Tele-Global Communications, Inc.
14.	IEC	5959	Teltrust Communications Services, Inc.
15.	CLR	5963	Software America, Inc.
16.	IEC	5980	Simple Phone
17.	IEC	5987	Network Telecommunications

If and when our records show that these companies were active, they paid all required surcharges.

The results of each search for these companies may be summarized as follows. TD's records show that none of the companies has submitted either surcharge forms or surcharges during the calendar years 2000 and 2001. Warning letters were sent to all the companies; however, no response was received from any company. TD's draft resolution in this matter was noticed in the Commission's Daily Calendar beginning on April 15, 2002, in accordance with PU Code Section 311(g)(1). No comments were received from any party.

## **FINDINGS**

1. The companies on the above list were certificated by the Commission as competitive carriers.

2. Adequate measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4.

**THEREFORE, IT IS ORDERED that:**

1. The competitive carrier Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u><b>Type</b></u>	<u><b>CPCN#</b></u>	<u><b>Company Name</b></u>
1.	IEC	5872	Millennium Group Telemanagement
2.	IEC	5883	NTI Telecom, Inc.
3.	IEC	5884	Infolink Communications, Ltd.
4.	IEC	5890	CBG, Inc.
5.	IEC	5891	Local Long Distance
6.	IEC	5900	Tritel Communications, LLC
7.	IEC	5903	New Media Telecommunications, Inc.
8.	IEC	5904	National Tel
9.	IEC	5919	Financial Intranet, Inc.
10.	IEC	5925	Tritel Communications, LLC
11.	IEC	5927	Nations Telecom Network
12.	IEC	5937	Payless Communications, Inc.
13.	IEC	5949	Tele-Global Communications, Inc.
14.	IEC	5959	Teltrust Communications Services, Inc.
15.	CLR	5963	Software America, Inc.
16.	IEC	5980	Simple Phone
17.	IEC	5987	Network Telecommunications

2. The companies' Utility Identification Numbers are canceled and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on May 16, 2002. The following Commissioners approved it:

---

WESLEY M. FRANKLIN  
Executive Director

LORETTA M. LYNCH  
President  
HENRY M. DUQUE  
CARL W. WOOD  
GEOFFREY F. BROWN  
MICHAEL R. PEEVEY
